## ABOUT US

ERC was founded in 1885 on the beautiful Grand River in Eaton Rapids, MI. We are an inter-denominational Christian family camp dedicated to strengthening spiritual and personal relationships for children, adults and families. Camp is always held for ten days encompassing the last two weekends in July.

Daily programs include prayer, bible studies and great preaching! For more detailed information on our schedule and programming please go to:

We hope everyone will build a closer relationship with Jesus through their time at ERC.

Our goal is to give you and your family the time and the space to reconnect with God through fun, worship and quiet reflection. Whether you are worshipping in our historic tabernacle or walking on the paths through our one-hundred acres, you are sure to sense God's presence here. Our prayer is that you will leave camp refreshed and renewed and ready to go out and impact the world for Christ.
