

ABOUT DELANCO CAMP

Delanco Camp is an independent, inter-denominational Christian camp in Tabernacle, N.J. that offers youth camps, a family camp meeting, retreats and special events. The camp is a member of the Christian Camp and Conference Association.

OUR MISSION

We will encourage every person who attends Delanco Camp to discover a relationship with Jesus Christ - changing them from the inside out, so that God can bring out the best in each of us; and together, we can impact the world. And, at the same time, make sure each person attending has the greatest week of their life!

Spend a week or a weekend connecting with God in nature, enjoying outdoor sports, games and activities, taking Bible classes, attending evening worship, singing songs around the campfire, reconnecting with friends and making new ones.
