Trademark Camping is a non-profit management company focused on Christian Camping, Outdoor Education, and Adventure Recreation. We own, manage and consult camps, conference centers, and recreation venues. Our specialty is effective management and stewardship of properties, programs, and operations through centralized services. We are passionate to help people See, Know, and Experience God through the great outdoors. Trademark Camping helps partner camps thrive and fulfill their missions to make the world a better place...one camp at a time!
